

A Kitchener Kitchen

Choose Kitcheners Kitchens for Australia's most desirable custom-made kitchens at the most affordable prices.

Kitcheners Kitchens is dedicated to custom designing a unique kitchen to suit your taste and needs. That's because we understand that today's kitchen is more than just a place to cook – it's the hub around which your household revolves. We have the nation's finest designers, armed with an innovative ideas palette containing a sensational choice of colours, styles, fittings and finishes. What's more, they'll work to any sized budget. We complement our designs by only associating with the world's most loved suppliers including Bosch, Blum, Corian® and Caesarstone®. What follows is construction of the highest standards with the most resistant materials, guaranteeing that your beautiful new kitchen will be the scene of splendid meals for many years to come.

To take advantage of our free, no-obligation kitchen design and quote service call us on 1300 856 422 or visit our website, www.kitcheners.com.au

Visit the HIA Sydney Home Show, and you have the chance to **WIN** a **\$25,000 Kitchen** from Kitcheners Kitchens, specialists in designer kitchens at modular prices.

The kitchen is the centre piece of most homes and demands functionality, style and a socially friendly aspect. If your kitchen falls short in one or all three of these areas, make sure you visit Kitcheners Kitchens at the HIA Home Ideas Show. There you can be inspired by the latest in kitchen design, by leading kitchen designers. Not only that, enter the draw to try and WIN a \$25,000 kitchen renovation.
