Easy-to-open drawers

The SERVO-DRIVE from Kitcheners Kitchens has an advanced sensory system so you don't have to pull heavy drawers out when you want them opened. With practically no hands or effort, drawers and pull-outs open simply and easily.

SERVO-DRIVE is an electrical opening support system from Blum whereby the drawers and high-fronted pull-outs open automatically using an electrical drive with just a light touch on a handle-less front or a light pull of the handle. Apart from the streamlined look, it creates total freedom of motion in the kitchen and everyone from children to the elderly can effortlessly activate the heaviest of drawers with the lightest touch.

Despite its advanced nature, SERVO-DRIVE is surprisingly maintenance-free and takes up minimal installation space.

Creative thinking for panel design

Laminex Multipurpose Compact Laminate, Parchment.

You don't need to choose functionality and durability over the latest design trends. New colour updates to Laminex's range of strong and self-supporting Multipurpose Compact Laminate range takes the total décors available to 27.

Featuring maximum resistance to moisture, impact, scratching and wear, the double-sided decorative panels are popular in a diverse range of internal applications where a long-lasting, practical solution is required, including furniture, partitions and benchtops.

With each décor highlighted by the laminate's distinctive black edge, the new Multipurpose décors are designed to complement the latest woodgrain finishes currently in vogue and add further creative thinking and balance to the range with popular lineas and patterns from the extensive Laminex colour palette.

New to the range are Olympia Blue, Pumice, Seasoned Oak, Oyster Linea, Tawny Linewood, Fudge Stream, Bronzeworks, Alaskan, Brook Pebble, Licorice Linea and Blackened Linewood.

With the laminates having a reputation for superior resilience, versatility and design, the range update presents more opportunities for the panels to be integrated with décors from the comprehensive Laminex colour palette. The range comes complete with a 10-year limited warranty.
